MR. M. S. RICHARDSON.

The above portrait is a vivid de-  
scription of the Rev. Moses S. Rich-  
ardson, Dallas' latest acquisition to  
her ministerial family who recently  
impressed a large and enthusiastic  
gathering at Macedonia Baptist  
church, it is alleged that the young  
minister acquitted himself with the  
style and grace of a veteran, in deal-  
ing with his text, the analysis was  
so plain and pointed that his Chris-  
tian friends were loud in praise and  
paid a high tribute to his maiden  
bow.

He was so well received by his  
friends until a second attempt was  
avoidable.

Rev. Richardson left Saturday, Nov.  
29th for Marshall to enter the Theo-  
logical Department of Bishop, to pre-  
pare himself for the task of the min-  
istry. His friends in Dallas are le-  
gion, each holding for him a warm  
place in their hearts and wishing  
his safe return to take up the cross  
for Jesus and work for the better-  
ment of mankind.

### Coolies Pass Through Canada.

When the big blue funnel liner Tyn-  
datus, clears from Seattle she will  
proceed to Vancouver, B. C., where, in  
addition to further cargo awaiting her  
at that port, she will take on board  
4,000 Chinese coolies, who are being  
returned to their home country by the  
British and French governments, says  
the Seattle Post-Intelligencer.

The Chinese are among several thou-  
sands of coolies utilized as laborers  
back of the lines during nearly the  
entire five years of the war and they  
are being returned to their homes  
through Canada, which will mean that  
they will have circled the globe when  
they debark at Hongkong, since they  
were taken to Europe through the  
Suez canal and the Mediterranean.

### Church Gets Precious Relics.

The mainmast and spars of the Hart-  
ford, flagship of Admiral Farragut in  
the Civil war, will be erected on the  
grounds of a church in Hastings-on-  
Hudson, N. Y., if the plans of the con-  
gregation are approved at the New  
York navyyard. The church was found-  
ed years ago with the prize money won  
by Farragut in the capture of Confed-  
erate blockade runners. On learning  
that the old Hartford is to be con-  
demned to the scrap heap, the mem-  
bers of the church have consequently  
been aroused to make every effort to  
secure this unusual and desirable sou-  
venir.—Popular Mechanics Magazine.
